

QAD Adaptive Applications

# QAD Intrastat Release Notes

## September 2021

This release contains new features and enhancements, as well as fixes, that resulted from maintenance activities. For detailed information about individual fixes, see the Product Changes & Advisories area on QAD's Online Support Center:

[https://support.qad.com/product\\_changes/](https://support.qad.com/product_changes/)

The Release Notes describe enhancements and changes for the Intrastat module. These changes may affect the way you implement and use QAD Intrastat. Review this document and the associated installation materials *before* proceeding with any phase of a QAD Intrastat implementation.
