

QAD Adaptive Applications

QAD Sales and Use Tax Interface Release Notes

Revised February 2020

Note Starting in September 2019, the new name for QAD's complete portfolio of products is QAD Adaptive Applications. Additionally, QAD Adaptive ERP is the new name for QAD's flagship ERP solution. QAD Adaptive ERP includes the functionality previously associated with QAD Cloud ERP and QAD Enterprise Applications - Enterprise Edition, plus the QAD Enterprise Platform and Adaptive UX which resulted from the Channel Islands program. Going forward, the terms QAD Enterprise Applications, QAD Cloud ERP, and Channel Islands will be deprecated but will remain in previous documentation and training materials. QAD's intention is to—as soon as possible—eliminate the use of the deprecated terms going forward.

These release notes include information about the latest QAD Sales and Use Tax Interface fixes and changes. These changes may affect the way you implement and use QAD Sales and Use Tax Interface.

Review this document before proceeding with any phase of a QAD Sales and Use Tax Interface implementation.

QAD highly recommends that you implement the latest Sales and Use Tax Interface release available. Check the QAD Web site to make sure you have the latest QAD Sales and Use Tax Interface release notes, installation guide, and installation media.
